Elise A. Weir, PhD
eliseweir@gmail.com | (919) 590-8065 | Memphis, TN

SKILLS

Languages: Java, Typescript, Python
Technologies: Android, Angular, Django, git, GitHub, npm, Jenkins, gradle, SQL

EXPERIENCE

Lead Software Engineer, Plaut Pedagogy ***9/2026 - current***

- Leading architecture and development on math education software for high school and college students with Angular and Django.

Full Stack Developer II, FedEx ***2/2021 - 6/2026***

- Supported FedEx Ground on the First & Last Mile Pickup and Delivery (PnD) Mobility Services team with Android code and Java Spring Boot microservices.
- Deployed using continuous integration tools, including Jenkins with GitLab hooks. Spun up a Java Spring Boot app from scratch and integrated with existing REST services.
- Wrote pages and components for Android and web as part of a special effort to modernize the FedEx Freight forklift application using Angular Ionic with custom Stencil components, testing in Jest, Jasmine, and Cypress.
- Supported maintenance of the existing FedEx Freight RFID stack using Java Spring Boot, and added new functionality, including REST endpoints.
- Built Angular services to call existing REST endpoints.

Visiting Assistant Professor, UCSB Dept. of Mathematics ***7/2019 - 6/2020***

- Served as the primary instructor for large (80 and 160 student) online calculus classes.
- Taught small upper division classes focused on engaging students in logical thinking.
- Directed small teams of Teaching Assistants in holding recitation sections and grading to provide practice and feedback to students.

EDUCATION

Bootcamp, Web Programming and Code 1.0 ***9/2020 - 12/2020***
Tech901 - tech901.org

- Studied programming basics including logic, functions, and data structures.
- Learned front-end web development in HTML/CSS and JavaScript.

Doctor of Philosophy, Mathematics
University of Tennessee, Knoxville
Emphasis on linear algebra and geometry, and writing code to try out possible theorems.

Bachelor of Science, Honors Mathematics
University of Tennessee, Knoxville
